

SUPERNEUTRAL SPECIAL: "WELCOME TO BURKITTSVILLE"

COLD OPEN

ED

Preparation is key for anything, but especially for a supernatural encounter. Up against a vampire? You know a stake to the heart or some garlic will do the trick. Got a werewolf problem? Stock up on silver bullets. But how do you prepare for something like the Blair Witch?

JAMES

Or, more realistically, the very real dangers of hiking in an unknown territory. Not only are there environmental dangers like wet rocks, cliffs, and harsh terrain, but there's also some pretty dangerous fauna in Maryland. Got your bear spray, Ed?

ED

I actually do, James.

JAMES

Good to know you're prepared!

ED

Welcome to SuperNeutral, the paranormal podcast that pits a believer: that's me, Ed Barrett...

JAMES

Against a skeptic like me: James Durant.
