 - Wilting Tents? Seriously. Wish I could get out of the woods and away from these crazies.
 - Looks like we might be here for a while. A long while. Great.
- Lost them somehow. Alone all day. Emma and Ray last seen at the water flow? Moving water? Why can't I remember the word for this?
- Read a thing once about soil tests w/ chemicals in the ground. Makes you crazy or paranoid or forgetful. Something like that. Can't remember, feeling weird.
- Writing will help me remember. Help me think. Maybe? Probably not. Worth a shot at least.
- OK center clearing start, head straight. Nonono. Nope.

Date _____ Page _____ I got up to run, and he was gone.
Am I dreaming? Please. Got to wake up, got to wake up.
No. I wrote it down. That means it's real.

It was. It is.

It was. It is.
There's a scratching in my head. Not an animal, haven't even seen a single animal all day.

must have been a tree. A tree that looked human. Maybe all the trees out here are the same.

Trees make paper, paper tree, paper from tree paper from me?

I'm not even making sense. It's only been ~~day~~ 3? !!! ???

I shouldn't be out here. This shouldn't be happening to me.

I shouldn't be out here. This shouldn't be happening to me.

This is what you wanted isn't it?

Found a house. No one was there. I haven't been indoors in so long.

Someone came to my the house. Not the other one. A real person

to 95, he says. We're gonna help each other.

Have I seen him before? In passing? In Burkittsville?

He's sleeping. I should too. Finally not alone anymore.

He's writing and writing and writing. Is he writing to someone?

He's going to steal my ~~notebook~~ thoughts. I see the way he's looking at me.
