

# SUPERNEUTRAL

## WORK WITH US

---

Paranormal podcasters are seeking highly motivated self-starters for a local production. Tasks include:

- Scouting      • Recording      • Sound Editing      • Interviewing
  
  - Social Media Management      • Production Assistance
- 

Do you know how to handle one or more of the above? Do you have a love for show and/or all things supernatural? If so, then...

Do. This. With. Me!

this why you're the one late to class for once?  
exam on sonnets next week. help?

Of course. Gonna do this with me?

this that show you always listen to? it any good?

I like it, so, yeah,  
it's good. Promise.

sounds like fun

It counts for credit too,  
so it's a great chance  
for you to catch up

your right

I'll make a playlist of my fav. episodes for you.  
It'd be awkward if you joined the team  
w/o even listening to them.

I'm sure I'll love it

I have a feeling you'll like James.  
He's the "realistic" one.

Lemme guess, you're more Ed?

What can I say? He speaks to my desire  
for more mystery in the world.

Swing by call them  
and later we together : )  
OK
