Need more water, easier access. Near the Daventry waterfall?

No, she says that's someone else's territory.

Fewer trips to town. Now, it's too risky.

Better sound proofing—basement. My screams don't echo enough.
I know theirs won't.

At least 100 rings of stone

Dig deeper for the well. Good stonework'll out
last damn near everything.

-Stone

-Mortar

-new shovel

-Rope

-Food, can't forget again

Get this done, then she says she'll let me get helpers.
