

I lied to the police.

I saw $2_yFL + 3k_gX$ $1Es + 4kYN_j + 1Nm$ $3LV_r$
that day. Or perhaps it was the other way
around. We knew $12bzG + 3OYb$ you to $1mh + 2Sp$
 $1MHk + 4ehW + 2QJ$ $3Lb + 1qbR$ in the tournament,
didn't he? If only he'd left well enough alone.
None of this had to happen. I simply wanted
him and her to be put in their places.

But it did happen, didn't it? I saw what you did.
I saw you leave a $4PNk + 2nLM + 3Cgf$ in his
 $1CN + 4h + 1nA$. Then, I saw you try to $2pz + 3Kr$
some very crucial evidence.

Hav'n't you been wondering why the police found
only $3bkL$ $4cA + 1NUk$ in the $2Yc + 1E + 4yJQn$?

There were only seven of us in the building
when it happened, and the $1ZQ + 3Mf$ could
only belong to you.

If I hand off what I have to TPD,
you're going away for a very long time. Your
career will be over.

Thankfully for you, you're worth far more
to me free, as long as you stay quiet.
We can make a lot of money together if
you just cooperate.

Don't worry, I'll protect you. If anyone
begins to figure it out, I'll handle it.

P.S. — Added an extra twist to our
method of communication. Always good to
mix things up a little.
