THREE PINES ICE RINK

In November of 1952, Tom and Cary Hart opened a small outdoor ice rink with the hope that the town of Three Pines would grow to love the sports they held dear. Two years later, they had earned enough to build walls around that patch of ice: our very own stadium. The rink has seen many renovations over the years and grown more beloved by the town of Three Pines with each one. We want to share our passion for the ice with every person we meet, and we are honored to be the only year-round indoor ice rink in Three Pines to this day.
