

Mr. Entertainer — Kathy P.

Miss Nonah, is he not just adorbs? That lil paunch even reminds me of Dave a smidge lol

This dog is OBESSE! Janelle, tell Kathy to stop giving this poor thing table scraps. HARD PASS

Booboo Bear — Nancy H.

Awww booboo needs more coffee

Cute pooch, LAZY owner. Remind Nancy that Sir Barksalot requires commitment. Straighten Booboo's tie, then we'll talk.

Jeremy — Ben K.

If I was captain, this beautiful boy would be King

That'll be the day.

However, this gorgeous boy is definite Knight +
material. SIR Jeremy is IN!!!

Trésor — Nonah T.

Five stars!!!!

My sweetboy the King!! Long may he reign!
ALL my babies are precious, but I'd do anything
for this one.

Rabbit — Tina B.

OMG lil Rabbit has moved into my heart!

Cute, but Tina's fixing to outbid me on that violet absinthe at Three Kings. It's mine by right. She needs reminding of her place. OUT

Aphrodite — Helen B.

Truly a goddess of love!

RÉGAL! Trésor's Queen? KING TRÉSOR &
QUEEN APHRODITE!!!!

Grumps — Morgan R.

Miss Nonah, I think Grumps might be the
perfect Duke!!!

There are no "mights" in Carnival

Chicken — Harper L.

Janelle, this wasn't funny last year and it's not
funny now. I ABHOR felines and their lying
devil eyes.
